For their participate at Top Practice Leaders 2023 Hukumonline.com

We are very humbled and honoured to receive these awards among more than two hundred Indonesian law firms participated in the survey and research conducted by Hukumonline. These blessings can only be achieved with tremendous support from our clients, colleagues, and especially hard work from all members of T&K, since T&K first entered into the legal industry in 2022.

This achievement will be our motivation to continuing providing high quality legal services to our clients and making positive impacts.
